AMIDEAST Jordan (America Middle East for Education and Training Services University) www.amideast.org, started the project management training operation early 2006 as a PMI REP in Jordan.

During that time several PMP trainer delivered their training, but the evaluation rate was low and AMIDEAST training reputation suffered badly.

Change Consulting & Training started the cooperation with AMIDEAST early 2007, the 1st PMP course held on Feb 2007 with almost 10 participants; some of them were hesitated to continue due to the bad reputation of PM training.

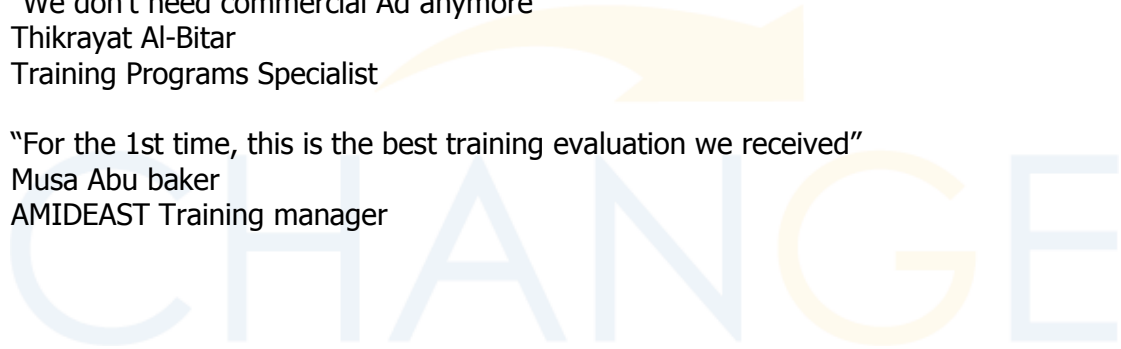

As of Nov 2009,
Change delivered 12th PMP training event for AMIDEAST, we have an average of 15 to 20 participants each, and we have many loyal and satisfied customers.
